RE: Foreign Disclosure Request Form Submission with attachment from DIA Prepub Review

Classification: UNCLASSIFIED

(b)(3):10 USC
424;(b)(6)

After careful reading and consideration of this document, this is not a FDO decision. We make disclosure determinations on classified military information. We would suggest sending this to PAO (within OCC) for approval for UNCLASS info being released by the Agency. We would check to make sure the information does not violate any foreign policy restrictions; and there were no issues there.

Hope this helps.

VR,

Foreign Disclosure Officer
